Other SSPC or SSPC Administered Courses	Other SSPC or SSPC Administered Courses	

-Any successfully completed training course dealing primarily with industrial or marine protective coatings technology or steel corrosion offered by an IACET-certified training organization or an accredited college or university or trade school.

-In addition, the student must have passed a written exam and the course must have been taught by a qualified instructor as determined by the SSPC Individual Certification Program Administrator. A qualified instructor is defined as a person who has similar qualifications to those qualified to instruct SSPC training courses.

Describe formal training courses you have completed in the charts below.

Organization Offering Course		
Course Name		
Date of Course		
Number of Hours in the Course		
Instructors Name		
Describe topics presented and workshops within the course		
Was there an exam given	Yes	No
Grade on Exam
